Experience

TCS Placement Drive | Volunteer | Jan 2026

- Coordinated a high-stakes placement drive for senior students, managing and ensuring a seamless, professional experience for visiting corporate recruiters.
- Directed and delegated responsibilities to a team of 20 student volunteers, establishing clear communication channels and workflow protocols.
- Acted as the primary liaison between candidates and interviewers, resolving on-the-spot scheduling conflicts and maintaining strict timelines throughout the event.

VITian Formula Racing | Head of Department | Jan 2025 - Present

- Lead and manage a 12-member cross-functional team, overseeing project timelines, goal setting, and resource allocation for the upcoming FSAE Supra India 2026 vehicle design.
- Facilitate comprehensive requirement-gathering sessions, ensuring all team members are thoroughly aligned with strict competition rulebook regulations and safety standards.
- Bridge critical communication gaps between different mechanical departments, streamlining the design workflow.

National Service Scheme (NSS), VIT Bhopal | Volunteer

- Spearheaded and executed large-scale community health and sustainability campaigns, taking initiative in local outreach and student mobilisation.
- Successfully organised a major tree plantation drive (Aug 2024) to support environmental sustainability efforts.
- Coordinated a campus-wide blood donation camp (Dec 2024), collaborating with medical staff to aid community health initiatives.
